

# Proper Date Marking

Certain foods need to be marked with a “Use by” or “Expiration” date.

- ✓ *Made on-site & refrigerated*
- ✓ *Ready-to-eat food*
- ✓ *Potentially hazardous food*
- ✓ *Held over 24 hours*

If a food item meets **all** of these, mark the last day to use it on the label.

**7 days** is the maximum time that these foods can be kept under refrigeration.
